

COMMERCIAL ANALYZED CHECKING

FEATURING **4.00%** ECR
ON DAILY BALANCES*

VALUE ADDED CHECKING FOR YOUR BUSINESS

With Commercial Analyzed Checking you'll enjoy the flexibility of a checking account while earning credits on your balances to offset some—or even all—of your service fees. Ideal for businesses with higher transaction volume and larger balances, this cost-effective solution simplifies your cash management, providing you with the ability to link multiple checking accounts and increase your available earnings allowance.

Take advantage of our high 4.00% ECR today!

BENEFITS

- Earn our highly competitive earnings credit rate and receive credits for balances on deposit.

- Credits can be used towards banking services, treasury management, and certain professional fees** such as payroll services fees.*
- Link to eligible checking accounts to increase available earnings allowance and simplify your cash management.
- Gain greater visibility with a consolidated, detailed view of your accounts.

ACCOUNT DETAILS

- \$500 minimum deposit to open an account.
- Transaction limitations are dependent on account activity and services provided. Speak with your business banker to learn more.
